## ***What is Living Waters?***

**Living Waters provides a thoughtful and safe place to consider the ways our relationships, emotions, minds, and bodies need to be made whole-enough by the love of Jesus.**

**Through times of worship, teaching and small group prayer, our program leaders walk with participants in their struggle so they can live in freedom and truth. We pray for God's healing to restore broken areas of life so that people can "love well" as God intended.**

**Living Waters is for men and women seeking healing in their lives. Ultimately, we learn how to press into Jesus more deeply, allowing Him to meet our needs and transform us for His Kingdom purposes.**

**This event is an intensive weekend which will serve as a precursor to the full Living Waters experience being made available at Apostles in 2022.**
